Prior to start of agenda, Sandra King addressed the group. We are all volunteers. She's heard there has been discussion of Auxiliary business in the canteen. This should not be happening. All business is to be discussed at the meeting and in the back room, not in the canteen. The drama has to stop. It's hurting the volunteers who are working to make this a better Auxiliary.

Kathy Thomas thanked all the volunteers. She said they are all doing a wonderful job.
